

Basic Website Package

Price £750

Our **Basic Website Package** is ideal for individuals and small businesses looking to establish a strong online presence with a clean, professional, and functional design. This package includes a **1–3 page website**, featuring essential pages such as:

- **Home** – your digital storefront, introducing your brand or services.
- **About** – your story, mission, or background to build trust with visitors.
- **Contact** – your key contact details, enquiry form, and links to your social platforms.

Each website is designed to reflect your brand identity and ensure a seamless experience across desktop and mobile devices.

Included Features

- Custom design tailored to your branding and goals.
 - Responsive, mobile-friendly layout.
 - Basic search engine optimisation (SEO) setup.
 - Secure SSL certificate (included with hosting).
 - Integration of your business contact details and links.
-

Optional Add-On: Social Media Support

Boost your online visibility with our **Social Media Support (Management)** package — available for an **additional fee**.

We'll set up or optimise up to two social platforms (e.g., Instagram, Facebook, or LinkedIn), create matching profile images, write engaging bios, and help align your social presence with your website's branding.

*Please note: Social Media Support is a separate service and billed independently. For full details, refer to the **Social Media Support Package** section.*

Email Setup Options

Professional email accounts can be added as part of your hosting service. Each domain includes one custom email address (with 1 GB storage, 1 forwarding rule, 1 alias, and 100 emails/day).

Additional upgrades are available at extra cost:

- **10 GB mailbox upgrade**
- **Extra email accounts** (10 GB each)
- **Additional forwarding rules or aliases**

All email services are subject to the same renewal cycle as hosting. Please contact us for a tailored email setup quotation.

Hosting & Renewal

All websites require a hosting plan to stay live. Our standard hosting package includes:

- Secure server infrastructure with **SSL encryption**
- Daily backups and uptime monitoring
- Basic text or content adjustments if required

Hosting Fee: £250 per year (billed annually)

Hosting renewal is required to maintain website accessibility, backups, and email functionality.

Revision & Modification Policy

During the design process, you'll have the opportunity to request **revisions** before final approval.

Once your website is **published**, we're happy to make **minor modifications free of charge**, such as:

- Small text updates
- Image swaps
- Adjustments to links or contact details

However, **major adjustments** made after launch — such as colour scheme changes, structural redesigns, or a full content rebuild — are considered **new work** and will be **charged separately** according to our standard rates.

All design and functionality revisions are governed by our **Terms & Conditions**.

Important Notes

- All prices are quoted in GBP (£) and subject to **20% VAT**.
- Separate charges apply for **hosting, emails, and social media services**.
- Projects are delivered following our **Terms & Conditions**, which cover payment terms, ownership rights, and revision policies.
- Full payment (or deposit) must be received before the project goes live.
