

Standard Website Package

Price £1250

Our **Standard Website Package** is designed for growing businesses that need a more complete online presence with extra flexibility and room for expansion.

This package includes a **4–8 page website**, giving you space to showcase more content, services, and business information in a clean, structured format.

Typical pages include:

- **Home**
- **About**
- **Contact**
- **Services / Products**
- **Terms & Conditions**
- **Privacy Policy**
- Plus up to **two additional pages** of your choice (e.g., Gallery, Testimonials, FAQs, or Portfolio)

Each website is fully responsive, optimised for search engines, and crafted to perform beautifully across all devices.

Included Features

- Bespoke website layout tailored to your business goals
- Mobile and tablet optimisation
- SEO-friendly structure
- SSL certificate and secure setup
- Basic content formatting and imagery integration
- Contact forms and social media integration

Optional Add-On: Social Media Support

Enhance your brand's reach and visibility with our **Social Media Support (Management)** package, available for an additional fee.

This service includes setup or optimisation for up to two platforms, custom profile and cover images, bio writing, and posting guidance.

*Please note: Social Media Support is billed separately. For full details, refer to the **Social Media Package** section.*

Email Setup Options

Your package can include one **custom email address** under your chosen domain (1 GB storage, 1 alias, and 100 emails/day).

Additional options are available:

- **10 GB storage upgrade per mailbox**
- **Extra professional email accounts**
- **Additional domains or email aliases**

All email configurations and renewals are billed separately, as outlined in our **Terms & Conditions**.

Hosting & Renewal

Our secure hosting service ensures reliability, security, and smooth performance, including:

- **SSL encryption**
- **Regular backups and security monitoring**
- **Minor content or text updates if needed**

Hosting Fee: £250 per year (billed annually)

Hosting renewal is required to maintain your website and associated email services.

Revision & Modification Policy

Your package includes a round of design and content revisions before your website is launched.

After publication, **minor changes** (such as text updates or image swaps) are included free of charge.

Extensive adjustments, including design modifications, colour scheme changes, or page restructuring, will be charged at our standard hourly rate or quoted as new work.

All revision policies are subject to our **Terms & Conditions**.

Important Notes

- Prices exclude VAT (20%) and are quoted in GBP (£).
 - Hosting, emails, and social media management are charged separately.
 - Projects follow our **Terms & Conditions**, covering payment, ownership, and service responsibilities.
 - Full payment or deposit is required before launch.
-

(Available) Premium Website Package

Price £1650

Our **Premium Website Package** is the complete solution for businesses seeking a powerful, fully-featured digital presence.

Ideal for established companies, multi-service organisations, and brands that want advanced features, extended pages, and professional integrations.

This package typically includes **8–15 pages**, which may cover:

- Home
- About
- Services or Product Categories
- Contact
- Terms & Conditions
- Privacy Policy
- Portfolio or Case Studies
- Blog or News Section
- Testimonials, Gallery, or Additional Custom Pages

Each premium website is built for performance, scalability, and long-term growth — blending aesthetic excellence with professional functionality.

Included Features

- Custom-built design tailored to your brand and audience
 - SEO-friendly site architecture
 - Advanced contact or booking forms
 - Blog or article integration (if required)
 - Image optimisation and speed enhancements
 - SSL encryption and layered security
 - Performance testing and pre-launch review
-

Optional Add-On: Social Media Support

Maximise your digital impact with our advanced **Social Media Support (Management)** services.

We can manage, optimise, and maintain up to **two social media platforms**, ensuring brand consistency across your web and social presence.

*Separate charges apply. Please refer to the **Social Media Package** for full details.*

Email Setup Options

Your Premium Package supports expanded email functionality with options such as:

- **Multiple custom mailboxes (10 GB each)**
- **Email forwarding rules and aliases**
- **Additional domain names** for brand expansion

All email services and additional domains are billed separately and renewed annually.

Hosting & Renewal

All websites are securely hosted with SSL protection, backups, and uptime monitoring. Hosting includes basic text adjustments and limited technical support.

Hosting Fee: £250 per year (billed annually)

Custom hosting or multi-domain setups are available on request.

Revision & Modification Policy

Your project includes multiple revision rounds during the design and development phase to ensure satisfaction.

Once the website is launched, **minor updates** (e.g., small text or image changes) are included free of charge.

Extensive modifications — including layout redesign, structure changes, or full rebuilds — are considered new projects and will be quoted separately.

All revision terms adhere to our **Terms & Conditions**.

Important Notes

- VAT (20%) applies to all packages.
- Hosting, emails, and social media management are billed separately.
- Work commences following deposit payment and written confirmation of project details.
- Final approval and balance payment are required before site publication.
